## MARKET LEADER BUILT TOUGH

# **6308AN-6 Lighting Tower**

### **QUESTIONS TO ASK**

- What is the lighting application mining, roadworks, sports field, special event?
- Do you have a lighting plan?
- Do you need auto stop/start or manual start?
- Do you have a setup location selected and do you know the ground conditions?
- How is the delivery to the site organised, towing or multiple units on a truck tray?

#### **KEY SELLING POINTS**

- · Retractable drawbar for side by side loading on transport tray
- 1 person set up outriggers
  - hydraulic articulated mast
  - lift and telescope and tilt mast
  - 1 hand manual rotation
  - 6 adjustable pan and tilt lights
- Large fuel tank for multiple shift operation plus extended shift with auto stop/start
- Local supply of Sylvania and Clipsal components
- Tilt head lights are able to be directed straight up or straight down
- Light head stows above draw bar for protection of lights during transport and to reduce travel height

#### **APPLICATIONS**

- Construction
- Mining
- Plumbing
- Roadworks
- Special events
- Emergency services
